Got it – thank you and Jennifer!

We were glad to be there. Let us know if there is something else we need to do out there community involvement/education wise. Meanwhile, I have started work on the Public Health Assessment, but it will be a few months before a draft comes to you for review.

Carrie,

thanks to everyone for attending and helping out with the questions and answers.

I've sent the powerpoint file to Jennifer for posting to the ftp site due to the file size (9.7 MB). I'll also send in a separate email just in case the file size isn't a problem. Thanks.

Hi there –

I was wondering if we could get a copy of your presentation from last week.

Thought you did a great job, just wish more people would have come.
